**Organic Brown Rice Protein Powder** is a safe, plant-based source of protein that is high in nutrients and easy to digest.

### **Superiority**

Our rice protein is available in versions specifically produced to function best in different applications such as version for beverage applications and a version for bar applications. Our rice protein is also available in a sprouted version.

### **Safe**

Rice protein is an ideal protein source for individuals with dairy, soy and/or gluten allergies. Our **Organic Brown Rice Protein Powder** is also non-GMO, making it safer than soy protein sources.

**Organic Brown Rice Protein Powder** is a well-balanced complete protein [Protein Digestibility Corrected Amino Acid Score (PDCAAS = 0.7)] that contains 9 essential amino acids and a comprehensive amino acid profile similar to breast milk and whey protein.

### **Specifications**

Product	BioValue	EEA %
Rice Protein	77	43.4%
Whey Protein	64	42.9%
Soy Protein	56.2	41.1%

*BioValue represents the nutrition level. EAA means Essential Amino Acid Level.*
